

Please respect my rights to privacy and protect me from unsolicited callers. The prior business relationship is a smokescreen and not viable from my point of view. I will cease to do business with these "financial institutions" and will remind my elected representatives of the FCC's Decision. I DO NOT WANT the FCC to preempt my protection from these predator callers. Indiana's Do Not Call Law is working and successful in protecting Indiana residents who requested this protection. The telephone bill is paid for my use and convenience, NOT for USE by UNSOLICITED Businesses. If I want to do business with these people, I will contact them. TV, Radio, Newspaper Ads, etc. are available for them to advertise their products. We finally have peace and quiet here in Indiana, I implore you Not to Weaken Our Law and support Indiana Citizens right to be protected.

Thanks
